WHO IS A SENIOR?

The senior is the "Big" guy. He has waited many years for this special year, the big year. He can now exert authority over the underclassmen and feel important. But with this position comes more responsibility. No longer can the senior be carefree; he must look ahead to his future.

The senior year is a year of memories: the last football game and the excitement of homecoming, the last basketball game and wrestling meet, the last concert, and the last play. The senior will remember the disappointments and the good times, the bitter tears of defeat and the much happier tears of victory.

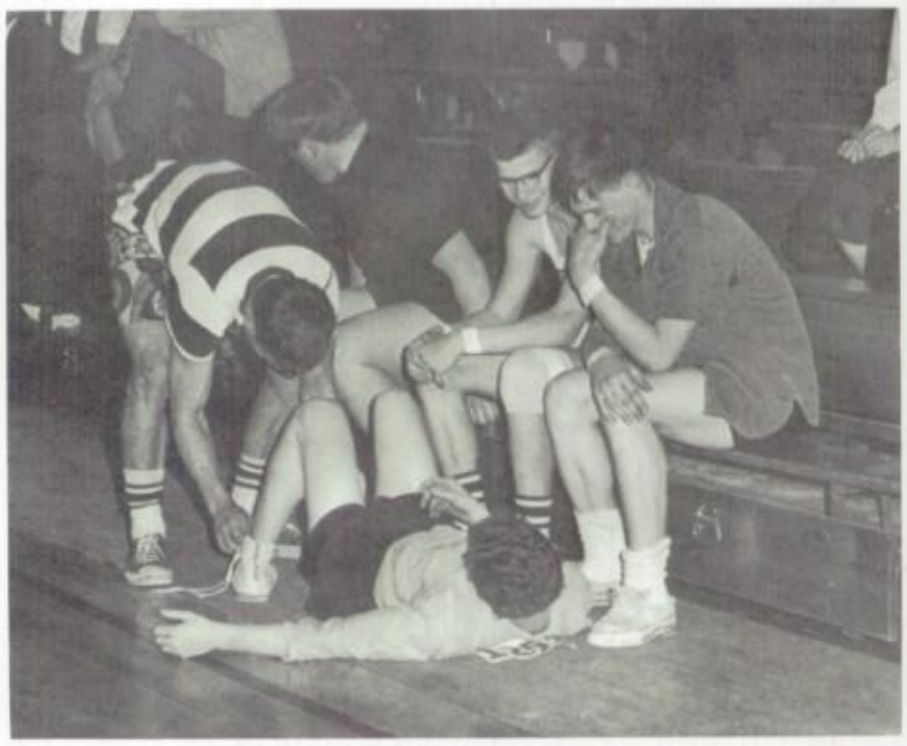
The senior year goes quickly, too quickly for some. At one moment the senior is anxious for it all to end and to be on his own, but the next moment he wishes time would stop so that he could capture and keep everything just as it is. The senior realizes that there will never be another year like this one, never another experience like high school.

Graduation night is the last time the class is together. The spirit and close friendships of high school can never be recaptured but will never be forgotten. When the senior receives his diploma he feels an exhileration for achieving the first major goal in life, and yet, there is a sadness for something which can never be relived.

Seniors Remember

The Homecoming dance was again sponsored by the senior class as their class party.

Homecoming . . .



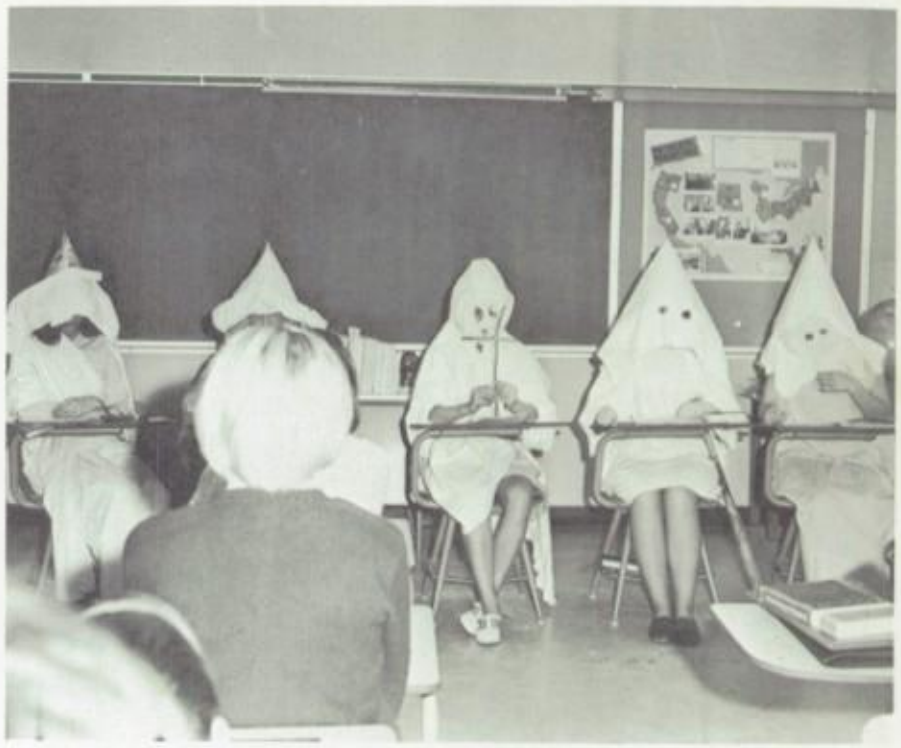
At the Senior-Faculty Game, Doug Reynolds (lying on the floor in great pain) receives aid from Dr. Michael Cooley, as nurse's aids Brian Homan, Dave Homan and Tom Bonorden observe.

Senior-Faculty Game . . .

Becky Cave, Bonnie Vossberg, Joann Blunt and Jane Grawe work under the supervision of Mr. Slawson in the senior concession stand.

Concession Stand . . .

Government . . .



Members of the Ku Klux Klan visited the first hour government class this year to tell about racial relations.

DECA is an exclusively senior class for those students who plan to enter the business world.

DECA . . .

Advanced Biology . . .

The Advanced Biology class celebrates Mr. Woltz's birthday with cake and other "goodies."

Hot Lunches . . .

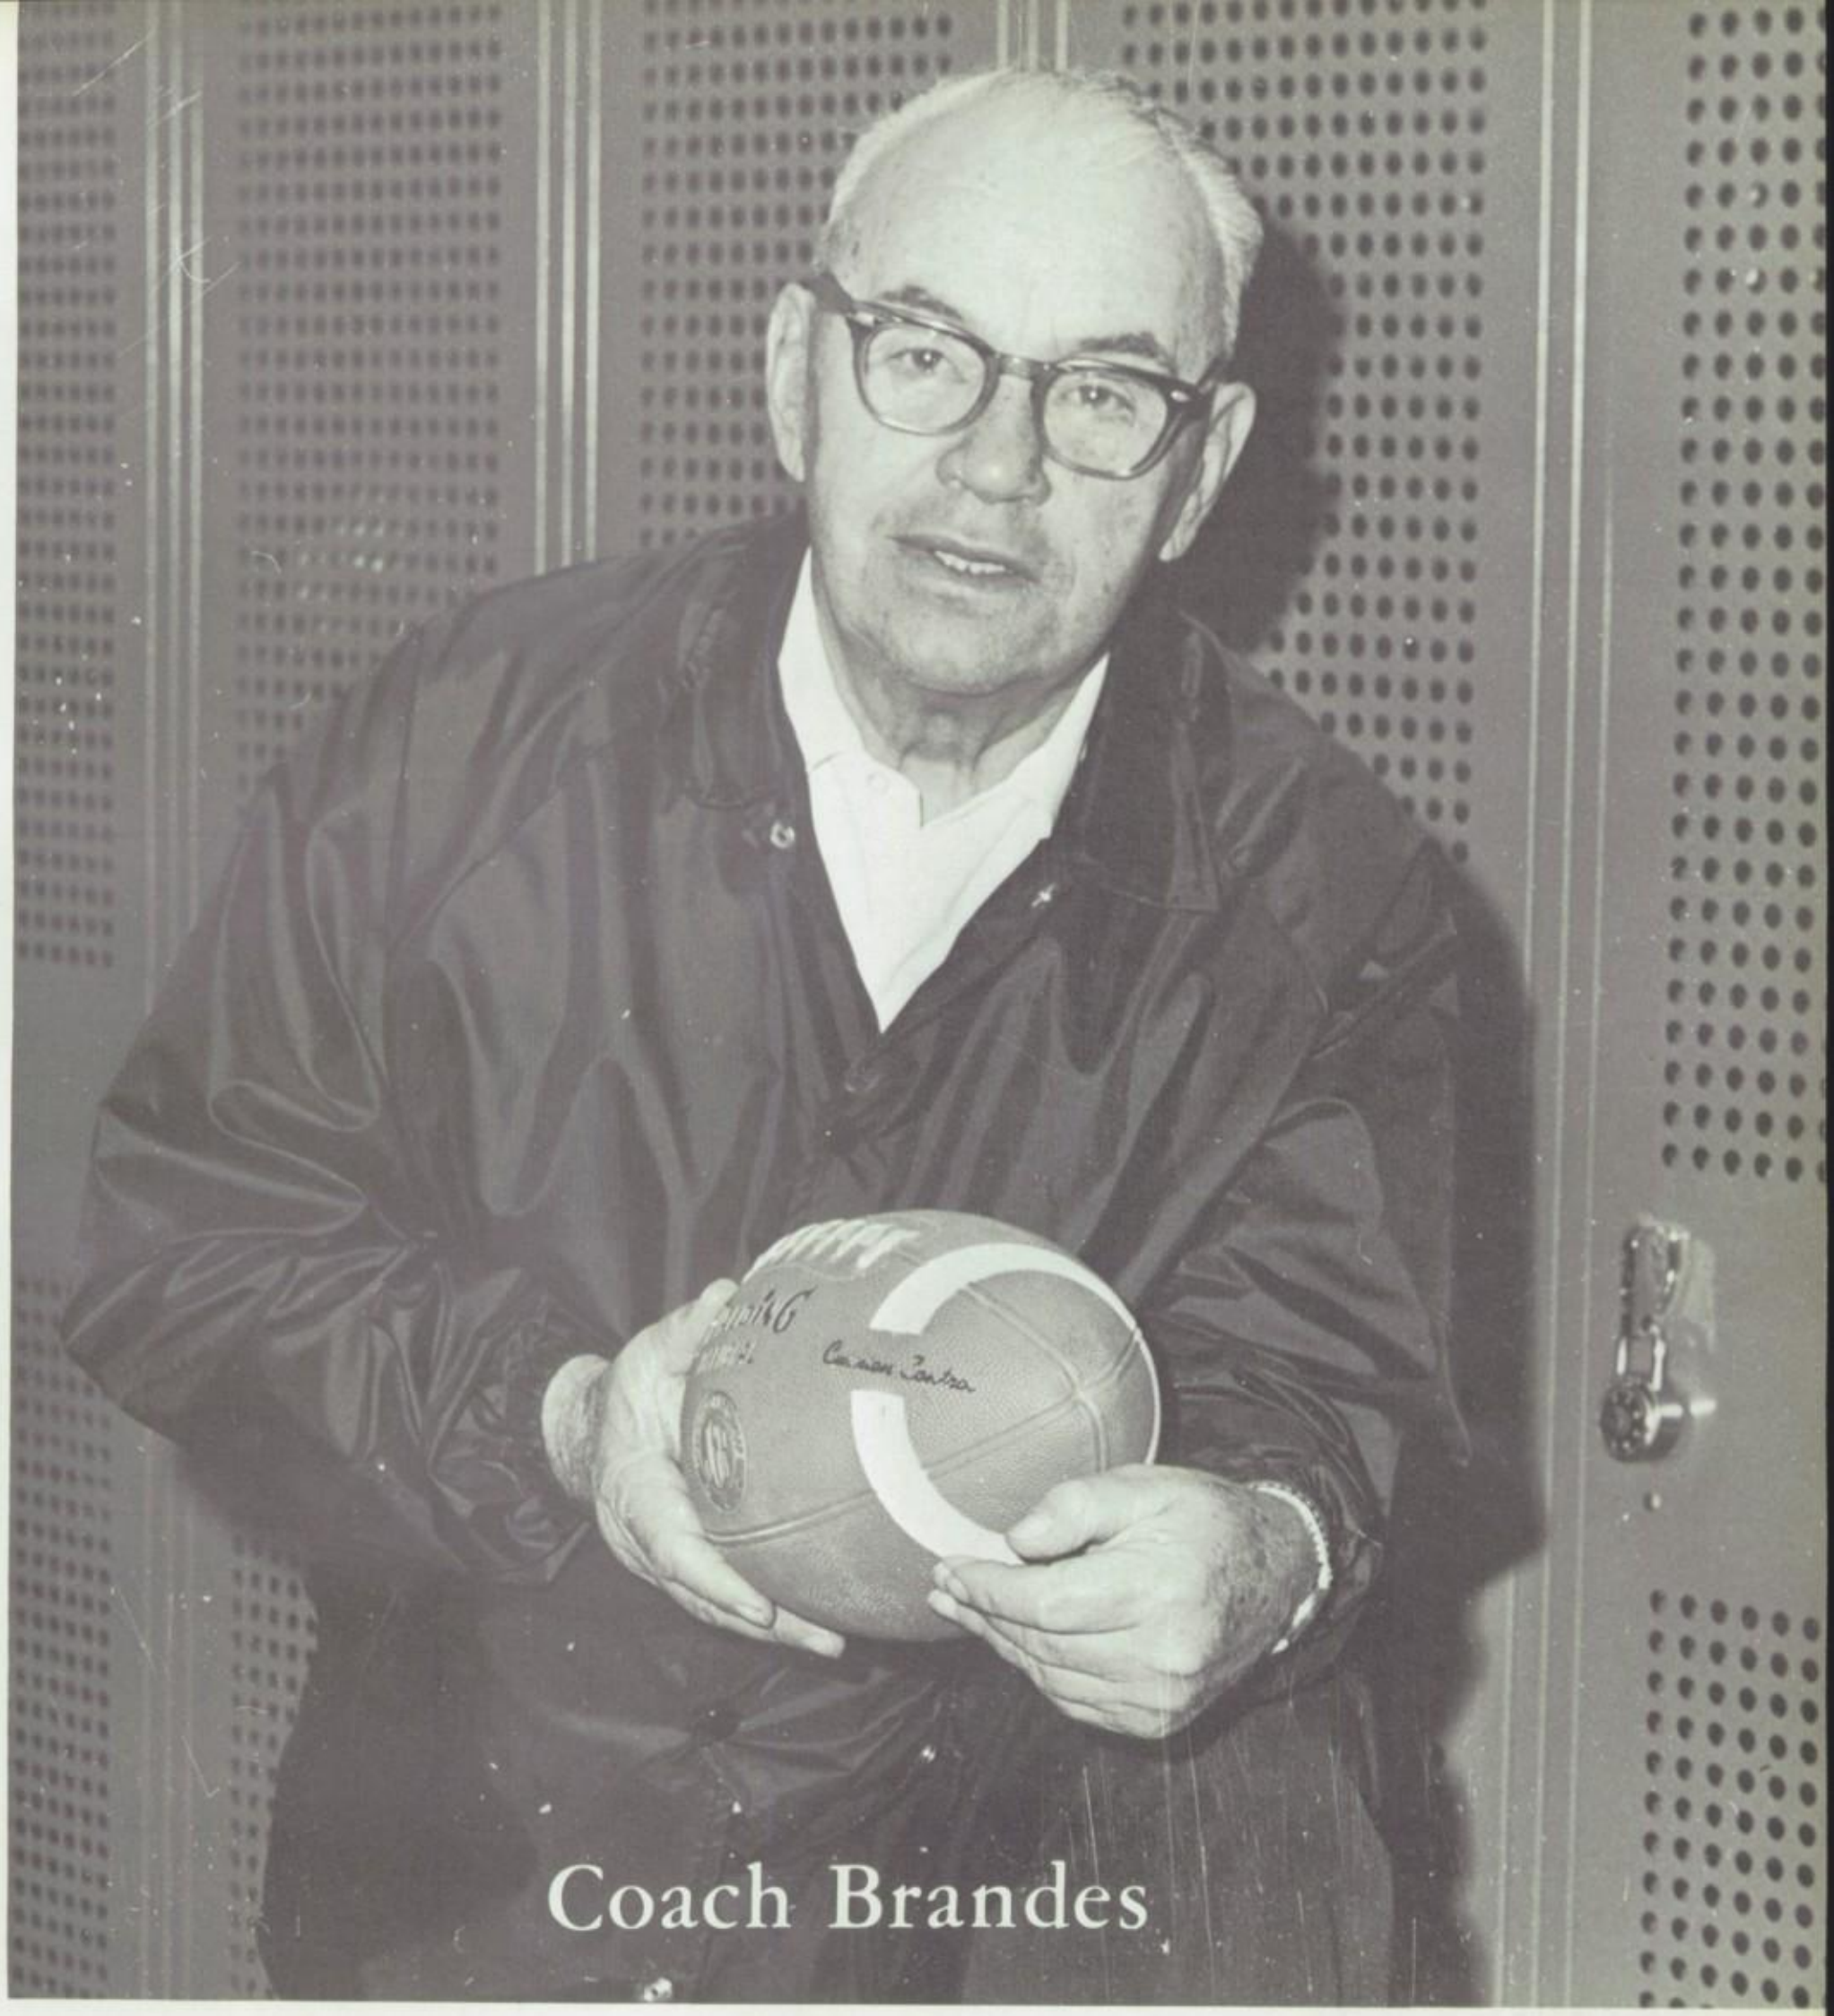
Seniors will remember the "delicious" meals, and the juicy gossip at the hot lunch tables.

And Senior Slop Day . .

Gloria Duitsman and Mike Dillavou model the newest "teeny-bopper" wear for the upcoming year--1969!

1968--the Viet Nam war was still raging, but peace talks had been started; Martin Luther King, Jr. was assassinated on April 4; the world's first heart transplant operations were undergone; President Johnson announced his retirement, and the presidential nomination in both parties went up for grabs; in Iowa, two killer tornadoes struck Oelwein and Charles City on the same day at the same time; here in Waverly Negro families were invited to come and live, and the Becker Hall of Science at Wartburg College was completed.

And the time at W-SR was just as exciting as any other year--especially for the seniors, the class of 1968. While these events were taking place outside the walls of W-SR, this class was completing their final stage of learning. What were they learning? Oh, sure--they were learning history, math, and English; and they were learning how it feels to have school pride and spirit, and to stand and yell when the Go-Hawks come on the floor; and they were learning about W-SR itself--the lockers, the pep assemblies, the teachers, all the things that go into making W-SR. But more important, they were learning how to become participants in those other events outside W-SR. They were learning to be young adults. Now, as they enter a new much more complicated world--the world of adulthood that they have been learning about for so long--they are no longer an active part of that other world--the world of W-SR.



Coach Brandes

Mart Brandes' life has been devoted to sports. He attended Cedar Falls High School, State Teacher's College, the University of Iowa, and the University of Colorado. He was out for football and wrestling while he was in school. In 1924 he started coaching at Sac City where he stayed for nineteen years. Then he came to Waverly where he compiled an outstanding record. He coached football, basketball, track, and gymnastics at various times. The year after he started coaching at Waverly his basketball team took the state championship. In 1945 he was voted Iowa's Coach of the Year. He was elected a charter member of the Football Coaches of Iowa Hall of Fame. This year, after this distinguished sporting career, Coach Brandes is retiring.

"Who Is a Junior?"

A junior is a middleman. He is not gazed upon with curious eyes as the sophomore is, nor is he looked up to with admiration as the senior is. He is not busy making a good impression, nor is he pressured by thoughts of college. Being experienced with the school system, the junior feels important aiding and advising the underclassmen, but he is more than happy to pick up a few helpful hints from his older classmates. Of course, being a junior means endless days of pondering over English sentence patterns and sleepless nights of deciding what the significance of the Sherman Anti-trust Act is, but that's all a part of it. The eleventh grade is an enjoyable year because the junior has had a taste of high school, yet he has that wonderful senior year to look forward to.

"Who Is a Sophomore?"

The sophomore is most commonly known as the underdog. He is a new traveler on the road to adult life, but before the end of this road he must face up to such things as World History, student teachers, Julius Caesar, and of course that long awaited term paper on occupations. A sophomore may be the beginner in high school life, but it isn't too many football games, basketball games, or wrestling meets until it's all over. The sophomore may complain that he still has two long years ahead of him, but these two years will hold many exciting and valuable experiences.

Straight Conference Games

Despite the loss of a top running back and an experienced lineman early in the year, the 1967 Go-Hawks were only two points from being an undefeated team, losing two games by only one point each.

Injuries and inexperience combined with a tough Marion squad beat the Hawks in the season opener, while arch rival Cedar Falls barely got by, 14-13, later in the season.

The Go-Hawks were again undefeated in conference play, extending their streak to twenty-one loop wins. Oelwein, ranked fifteenth in the state before playing Waverly, was the Go-Hawk's toughest opponent in the NEIC. The spirited Go-Hawks defeated the Huskies handily and went on to become NEIC champs for the fourth consecutive year.

Mike Stafford gains yards.

The sophomore team ended the 1967-68 season with a 5-2 record. One of those losses was to an old rival Oelwein. Although the Go-Hawks lost to them early in the season they avenged the loss later in the season. Their other defeat came at the hands of Columbus in a game played in the snow. The experience gained this year by the sophomore team will help them next year in varsity play.

Promise

The eager sophs compiled a respectable 12-6 record for the season and showed promise for varsity play next year. They shared the Northeast Iowa Conference Championship with Oelwein for the second straight season. One of the biggest games of the season was an overtime game played with West Waterloo. Although the Go-Hawks lost the game, they showed great determination in their fight.

Challenges,

This year's basketball season saw some tremendously exciting games as the Go-Hawks successfully defended the NEIC crown, extending our conference winning streak to 45 games.

The highlight game of the season was the first Oelwein game. This hard fought battle ended in a 50-45 victory for the Go-Hawks and was an indication that we would see some fine basketball play for the remainder of the season.

Surely the toughest game of the season was with the CF Tigers in district play. Although the score showed an edge of 17 points, the game will stand out as the most exciting and hard fought game of the year in the eyes of loyal Go-Hawks.

This year's wrestling season was highlighted by some tremendously exciting matches. This year's squad was considered by many to be the best in the history of W-SR. They not only had a fine season, but came through in the tournaments with an outstanding showing. The W-SR grapplers finished the season with a 7-5 record. They really proved their power when they defeated Charles City by a 20-18 victory. At the Northeast Conference Wrestling Tournament the Go-Hawks placed second, they placed third at Sectionals and fourth at District. Two boys, Mark Traetow and Brian Homan, went to state. In the State Tournament Brian brought home a first place medal in heavyweight division.

Gymnastics

The gymnasts showed great improvement this year as they won two of their eight meets, lost two more by one point each, placed fifth out of twelve at the state meet, and had a state champion, Ted Morrill. Coach Carl Berst thinks his team will be even better next year with more depth, better equipment and more experience.

Cross Country

The Cross Country team had a good year, considering that this was the first year CC was a competitive sport at W-SR. The sixteen-man squad participated in only three meets, coming in third out of a field of seven in the first NEIC Championship Meet. We can look forward to great improvement in the future as the members of this young team gain experience.

Girls' Golf Team to State!

Last year it was stated that "neither rain, nor sleet, nor dark of night" could keep our golfers from playing right. This year a devastating tornado could be added to the list. While taking a practice round at the Delwein golf course, a violent twister ripped through Northeast Iowa, leaving Coach Woltz and his team a little shaken up. Although they ended up with a 2-5 record, the girl linksters placed second in sectionals and district, and went on to place eighteenth in the state meet. They also brought W-SR our first girls' golf trophy.

The boys' golf team ended the year with a 4-4-1 record, and also ranked third in sectional, conference, and district play. Tom Bonorden, Rich Winkelman, and Dave Kosbau were medalist winners in the sectional tourney. The toughest meet was with Sumner, in which the score showed a rather wide margin. Looking to the future, boys' and girls' golf shows much promise for W-SR.

SEATED: B. Brooks, J. Grawe, E. Levick. STANDING: D. Hertel, S. Droste, C. Coonradt, K. Bodeker, B. Brooks, S. Eskridge, Coach Woltz.

The boys' tennis team compiled a good 4-2 record this year. The 1968 squad was dominated by seniors, but two good sophomores will give next year's team some experience. Their record would probably have been 5-2, but the Columbus game was rained out.

While the boys were winning, the girls were rebuilding. With mainly sophomores and juniors playing, they only won one game, but next year they will have eight regulars returning. Next year will bring great improvement.

The Go-Hawks, coached by Mr. Brandes and Mr. Sage, won the Sumner and New Hampton Triangle, and the Oelwein dual meet. They lost to East, Columbus, and Charles City. The Hawks competed in the Columbus relays where they placed 5th. In the Comet relays the Hawks gained 6th place. The cindermen also competed in the District and State Class A.A. Meets.

Three boys qualified for the State Meet, Mick Rosenau, Don Niewohner, and Steve Edman.

Mick Rosenau was team Captain and the high point man for the season. Other leading point winners were Al Lundberg, Ed Leisinger, Darrell Anderson, Don Neiwohner, Steve Edman, Gary Hartman, and Mike Stafford.

Baseball Converted to Summer Sport

Much of the summer's success depends upon the pitching staff: S. Gaylor, M. Tietje, G. Harwood, D. Bollman, Coach Denner.

For the first time at WSR, baseball was organized as a summer sport. Due to cold and rainy weather the boys practiced just a few times before the opening game.

At the time of this printing, two games had been played. The Go-Hawks lost their first game to West Waterloo, 10-5. They showed improvement in the second game by topping Denver, 4-2.

Homecoming '67 . . .

Spirit, Tradition, Victory

For any big event preparations always begin weeks in advance. Long before school starts in the fall, Pep Club begins work on the coronation set and the team begins practice. The last minute preparations of rolling out the red carpet, decorating the goal posts, and cheering the team on to another victory add to the excitement and anticipation of Homecoming weekend.

The end of speculations comes with the coronation Thursday night. The eight candidates were escorted by Mike Fingert, Dave Lewiston, Tom McCue, Ted Morrill, Don Niewohner, Doug Reynolds, Mark Traetow, and Ed Wubbena down a red carpet which led to the regal red and white curving stairways. As suspense and tension mounted the Master of Ceremonies, Mick Rosenau, announced the second attendant, Jennifer Lee, first attendant, Becky Brooks, and finally the 1967 Homecoming Queen, Kittie Bodeker. The beautiful set and the excitement of events to come made coronation a perfect beginning for the memorable Homecoming weekend for Queen Kittie and all of W-SR.

A new event was added to the Homecoming festivities this year. It was a snakedance which preceded the traditional bonfire. At the bonfire, pep talks were given by a loyal fan, Ed Riddle, and our new head coach, Chuck Schuman. The following night, the GoHawks beat conference rival Oelwein in an exciting and unforgetable ball game. Homecoming activities at W-SR were brought to a close with a dance following the GoHawk victory. All of these festivities made Homecoming 1967 a weekend to be remembered.

Pep Club members help construct the coronation set.

On behalf of the football team, Dave Platte and Mike Cooley present Queen Kittie with a small autographed football.

Pep Club: The Snappy Group with the Glowing Personality

One of the most active, colorful, and well-known groups at W-SR is the Pep Club. Under the excellent leadership of Miss Reece, the dedicated girls cheered the Go-Hawks on to further success.

The Homecoming committee, in the true Go-Hawk spirit, carried over two hundred cement blocks to construct the lovely and unique coronation set.

Paul Price, the inspiration behind the Pep Club signs, devoted much time and effort in creating enthusiasm at W-SR.

Many girls, as a sign of achievement for their loyal support, received letters and chevrons.

Miss Reece and Homecoming chairman, Mary Widdel, discuss coronation plans.

This dedicated group of girls planned and lead coronation activities.

Pep Club members helped decorate a float for the Homecoming Pep Assembly.

Youth is a time for an enthusiastic spirit, and a time for leadership. The W-SR cheerleaders have an opportunity to develop and display these qualities at the various athletic events throughout the year. For them it is a time to win and lose, to strain muscles, drain energy and to work toward a common goal, to learn the art of sportsmanship. Helping create enthusiasm for the games becomes a full-time job as they participate in many pep assemblies, paint signs, and make up new cheers. At W-SR during the 1967-68 school year pep and spirit abounded. The feeling was present throughout all phases of school activity. In classrooms, extra activities before and after school, games, and dances the feeling was the essence of W-SR students.

Linda Huisman, last year's Queen, crowned the new King, Rodney Abbas, while Roger Lenius, last year's King, crowned the new Queen, Kay Wamsley. The King and Queen were chosen from a group of eighteen candidates. Corn stalks and bales of hay set the scence for a lively evening of square dancing. An array of gold and brown suggested an autumn setting. The traditional door prize Tom Turkey, was won by Nancy Nolte.

Future Farmers of America sponsored by Larry Trepp and Larry Statler is one of the most active organizations at W-SR. A highlight this year and every year is the Harvest Ball. A speech by Senator David Stanley highlighted National FFA week. Also on the schedule was the Crop Improvement Show which consisted of 150 entries. The seven classes in the show were: oats, ear corn, show corn, mixed hay, alfalfa hay, corn silage, and grass silage. Jesup was the meeting place for FFA Sub-district contest and the District was held at Monticello. In the spring, the officers attended the State Convention in Davenport.

Upon arriving at the Kellers', Annie gives Helena doll. She spells the word to her over and over, but soon realizes that to Helen it is only a finger game, and that the only way the child can be taught is by getting her away from her family where she is spoiled and pitied.

After having Helen depend solely upon her for several weeks, Annie is faced with the supreme test--whether the Kellers will allow Helen to revert to her former barbaric state or make her behave as Annie has taught her to do. At first it seems that all the teaching has been wasted, but, while filling the water pitcher, Helen for the first time associates a word with an object and whispers, "wa-wa," water. Only one small word, it is reward enough for Annie Sullivan--"The Miracle Worker."

This year Masquers, the high school drama club, backed the production of two all-school plays, "The Egg And I," a light comedy about life on a chicken farm, and the highly dramatic story of Helen Keller and Annie Sullivan, "The Miracle Worker." For active participation in these and other Masquers' activities members receive points which go toward Thespian membership.

Outstanding Qualities Are

Two honorary societies at W-SR are Thespians and National Honor Society. Election into National Honor Society is based on scholarship, character, service, and leadership. A student must attain a B- average and be involved in extra-curricular activities.

Thespians is an honorary organization for students who have excelled in drama. Membership is based on a Masquer's point system. Those receiving 50 points, including backstage and on-stage work, are eligible for membership. This year awards were presented to those students doing outstanding work in drama. Awards given were: Best Thespian Carolyn Fruehling, Best Actress Chris Peterson, Best Supporting Actor Gary Mick, Best Actor Blair Anderson, and Best Technical Crewman Don Brintnall.

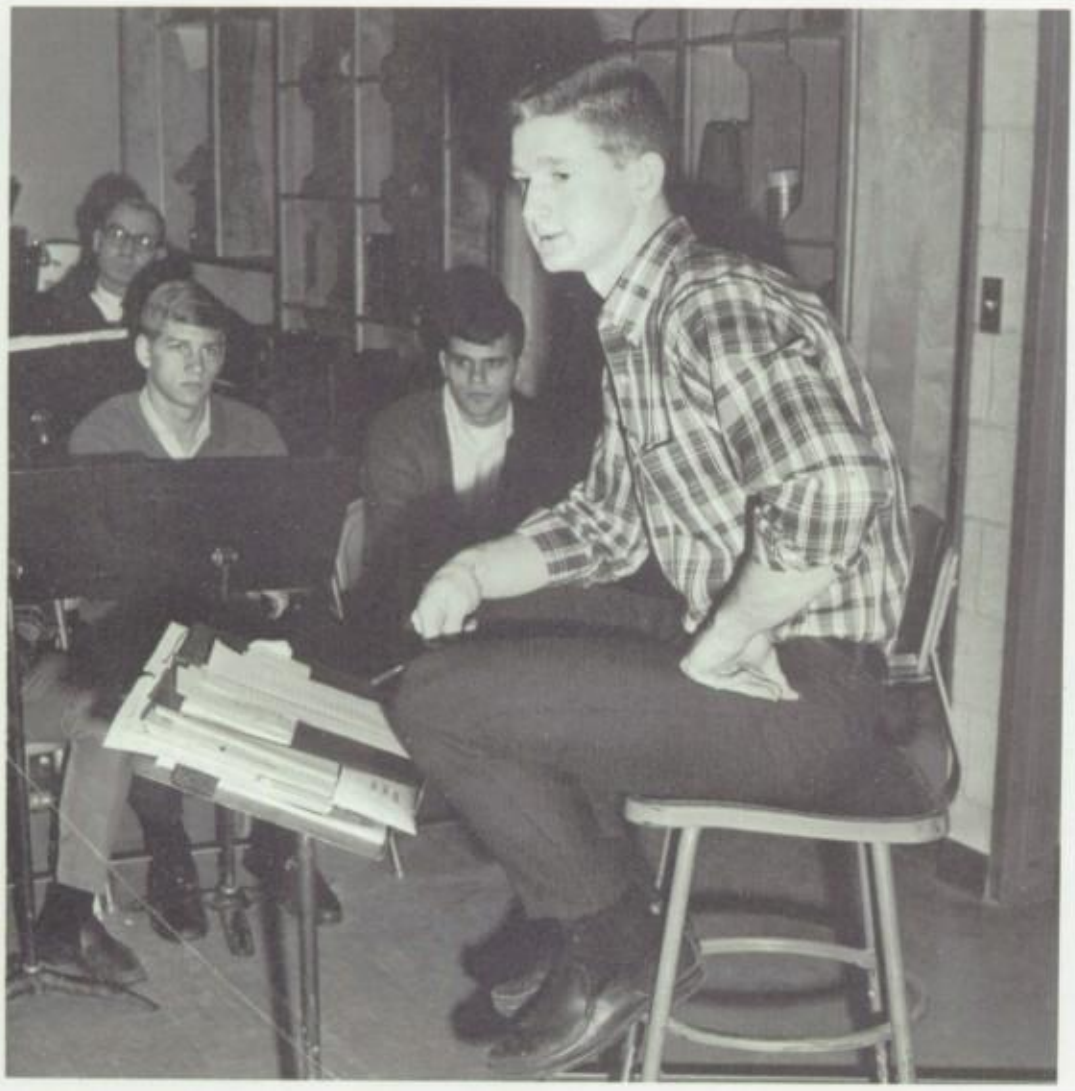
School Projects



President Mickey Rosenau conducts business at a Student Council meeting.

This has been another successful year for the Student Council. They helped in bringing AFS student, Elvira Bauer, to our school for a year. Not only did Elvira learn the customs of our school, but the student body also learned about Elvira's country, Austria.

Homecoming is another of the many activities of Student Council. The council members are in charge of arrangements for the half-time presentation of the queen and her court. The flowers are also a part of their homecoming project.

As well as working with the student body, the council also participated in community projects. At Christmas time a cookie drive, for which each student brought a dozen cookies, was sponsored to bring an extra bit of Christmas spirit to the poor families of Waverly.

One of their new projects this year was to sell T-shirts with a Go-Hawk emblem. The money made from these went to the AFS fund to help bring another student next year.

The student council deserves a lot of credit for their past efforts, present efforts, and those efforts still to come.

Annual Staff

The activities portion of the Go-Hawk is the contribution of activities editor, Diane Hertel, and her staff, Pat Knitt, Sue Moffitt, Marie De-Buhr, and Marlys Nieman.

Editor Mary Widdel with the help of Kent Vriezelaar, Margaret Clary, Diane Ingham, and Michelle Hipple covers W-SR sports.

Pictured above are photographer Don Brintnall, business manager Jean Sinnott, coordinating editor Joann Blunt, and assistant Debbie Strotman.

Pushing deadlines and checking copy are "the big eds" Marcia Sumner and Jane Grawe with advisor Mr. Bormann.

"Winds" the Clock of W-SR

The 1967-1968 Go-Hawk, a literary and pictorial record of Waverly-Shell Rock High's happenings and events, is the result of the combined efforts of its staff and advisors, Mr. Bormann and Mr. Freeman. Throughout the year, staff members design page layouts and select pictures in preparation for pressing deadlines, all intended to present a memorable year.

Responsible for class pictures are Peggy Sumner, Becky Cave, and Nancy Stevenson, editor.

The Go-Hawk Eye . . . Chronicle

The appropriately named Go-Hawk Eye is the Waverly-Shell Rock newspaper, which reports the school news weekly through the local Waverly paper.

Reliable reporting, the result of much hard work, makes the Eye the pulse of the well-informed.

Reporting is but one of the tasks involved in the preparation of a paper. One responsibility of the editors and another requirement of an efficient paper is the layout. A sample of this year's layouts carried not only sports, but also features, letters to the editor, and opinion polls.

Typing too lends to a successful page. Typists are also among the many staff members.

Proofreading is the task of all, from the editors to the reporters to the advisor. That's teamwork, that makes a paper. The Go-Hawk Eye.

Above is the Go-Hawk advisor, Mrs. Uriell, who lent much time and effort as did editors, Pam Benck and Carolyn Fruehling, to the success of the Eye.

At right is the specialty group, the often forgotten staff members, who type, proofread, and photograph.

Future Teachers of America is an organization for all students interested in a career of teaching. At each of the bimonthly meetings a guest teacher was chosen to speak for each of the teaching levels. Some of the highlights of the FTA year are the Prospective Teachers' Day in Cedar Falls, the Teachers' Christmas Tea, and a school visitation day where the members have a chance to observe classroom procedures firsthand.

Those interested in the field of medicine for a future career will probably be found as members of Medical Arts. One of the major activities of this organization is the work that the girls do at the hospital after school and on weekends as candy stripers. Movies are shown and guest speakers talk at the monthly meetings.

French Club

Parlez-vous Francais?

Better understanding of language, people, and customs of France is the main aim of French Club. While meeting twice a month, these goals have been met through visits with various people, such as Mr. Timmer of Wartburg College, Mrs. H. W. Rathe, Miss Elvira Bauer, and Miss Kathy Fredrick. Discussions by the group also helped to contribute to the knowledge and interest of each student. Highlighting the year's activities was the Christmas banquet which featured French cuisine and entertainment.

Dear W-SR,

My year with you is over. It was the most exciting year of my life. I shall never forget the hours I spent here. Every day made me more fond of you.

You gave me a new family, new friends and you showed me that the people of different nations have much in common; that we should love and understand each other. It is hard for me to say good-bye. And so now, I want to thank you for everything that made my stay as nice as it was. I promise that I shall never forget you, and that I shall come to visit you if I should ever have the possibility.

Always yours,

Elvira Bauer

Chess Club

ROW ONE: Mr. Slawson, D. McComb. ROW TWO: J. Dewey, Pres. R. Jarchow, R. Deike, Sec. R. Wahl, W. Busch, D. Busch.

Chess Club is an organization in which the members devote an evening of their time each month into developing and enjoying their skills in Chess. Meetings are spent competing with members of the club. Chess tournaments are set up with other schools during the year.

Science Club

The goal of Science Club this year was to promote an interest in science at WSR. The meetings each month were spent pursuing this goal. The main event of the year for Science Club is the Iowa Academy of Science held in April at Wartburg. It is sponsored by the Science Club at WSR.

Ushers Club is an organization to accommodate the need of ushers at events such as basketball games, gymnastic and wrestling meets, concerts, and parent-teacher conferences. The girls volunteer to usher at these occasions and earn points each time they usher. Letters and bars are awarded to ushers for earning a sufficient number of points.

Homemaking Club

In Homemaking Club fun and learning are combined to produce a most worthwhile organization for future homemakers. Guest speakers talk and give demonstrations on varied subjects from flower arranging to hair styling to style shows. Associated with Homemaking Club is the Betty Crocker Homemaker of Tomorrow award given each year to a senior girl who excells in the field of home economics.

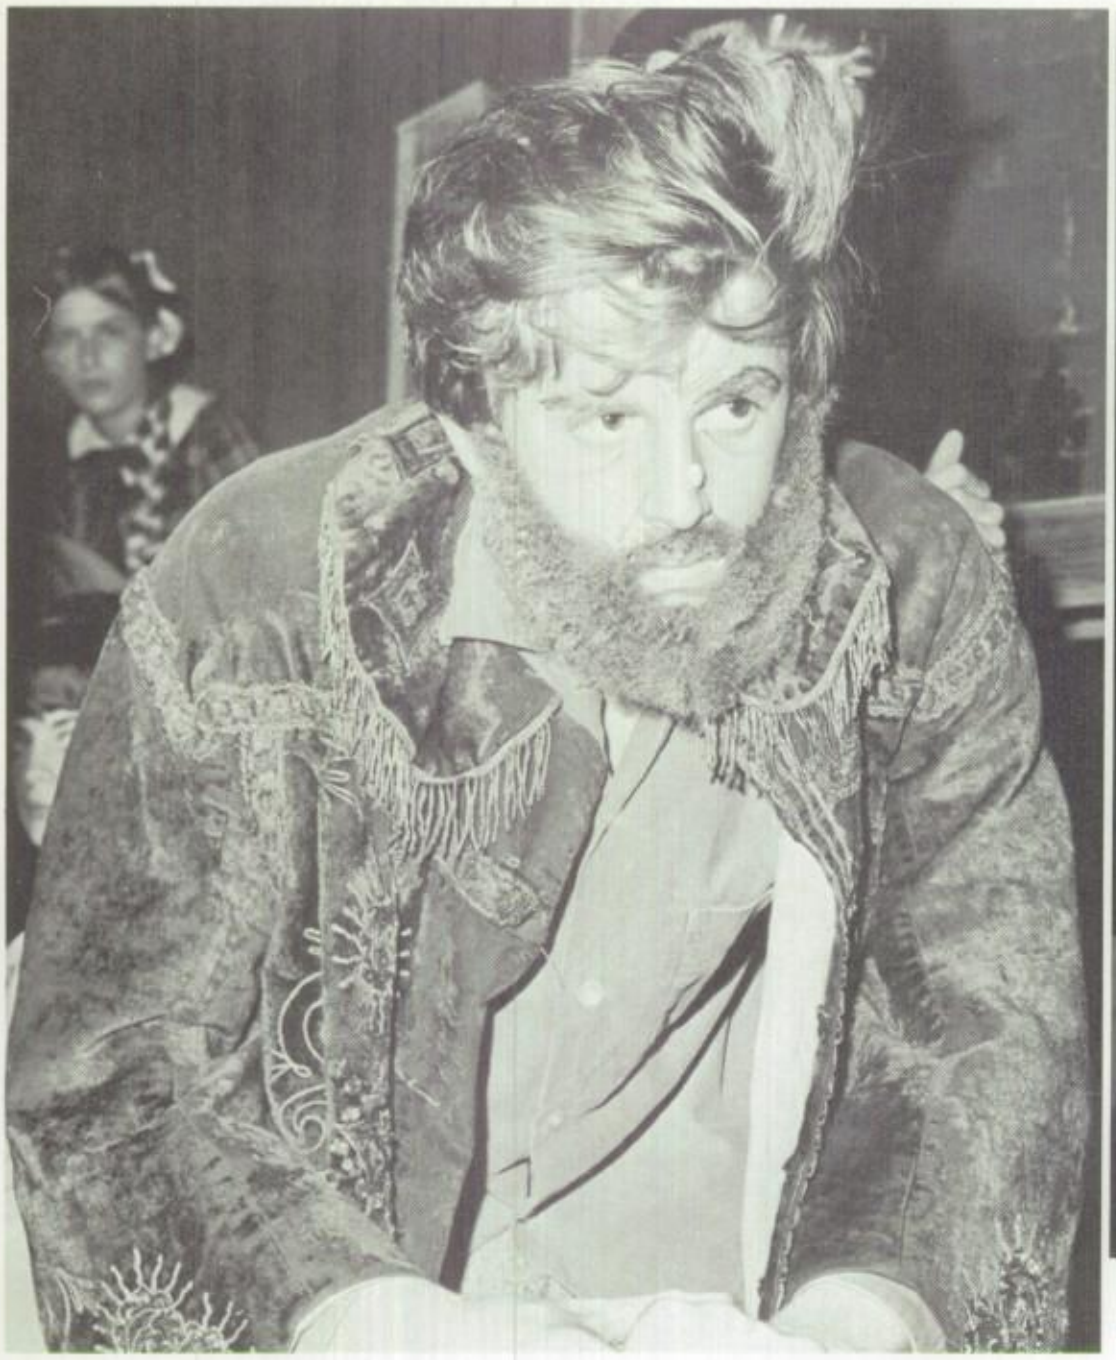
Encourage Athletics at W-SR

To be eligible for W Club membership a boy must have earned a letter in one sport in which he participated. Initiation for new members is held at the close of the winter sports' season each year. This spring the W Club sponsored the senior-faculty basketball game to raise money for a track scoreboard and next year's AFS student.

These are cheerleaders?!



Fagin (Blair Anderson) tells his boys they better "Pick a Pocket or Two."

Nancy (Chris Peterson) stands against Sykes in Oliver's behalf.

Mr. Bumble (Brian Jorgensen) tells widow Corney (Carolyn Frueling) how sweet she is as he prepares to propose.

Oliver

The music departments of the elementary, junior and senior high schools combined their efforts to present three polished performances of this year's musical, OLIVER. The admiration of the audiences was displayed by a standing ovation each night.

OLIVER is the story of a young boy named Oliver Twist. After being born and raised in a workhouse and joining a group of pickpockets, it is learned that he is from a very wealthy family. Eventually he is restored to his former family.

Bill Sykes (Eugene Leisinger) attacks Nancy for befriending Oliver.

Oliver (Pat Dansdill) asks fervently, "Where is Love?"

"GRAND FINALE"

Look boys! If you have to come to school in your night clothes, you could at least get here on time!

Lean forward a little more, more, just a little more--for Pete's sake! get up off that floor!

"You're doing great choir, but let's get on the right key!"

Mixed Chorus

The Mixed Chorus, under the direction of Mr. Hagen, performed many times during the year. The first performance, the Christmas Cantata, was given for the student body. Then the Chorus began rehearsing numbers for the Wartburg Mid-Winter Choral Festival. The biggest event of the year was the performance of Elijah numbers for the Winter Concert in March. Many members participated in solo and ensemble contest in April. The chorus next performed for the student body assembly in May. To end the year the Mixed Chorus sang for Commencement.

You're singing beautifully boys, but how about getting on the right page?

Various members of Girls' Glee started this year by participating in the musical, "Oliver," which kept them very busy. For the Christmas program at school, they performed the "Christmas Cantata" with the Mixed Chorus. The winter concert was next on the agenda which came in March. The girls ended the year with a performance at the all-school May Festival.

Where there's a will, there MUST be a way.

Boys' Glee Club

The Boys' Glee was kept busy this year during third hour as they practiced for various concerts. Several members took part in "Oliver." During December they rehearsed the "Christmas Cantata" which was performed jointly with the Mixed Chorus. After this the boys worked on numbers to sing at the winter concert in March. Their final performance was at the all-school May Festival.

Too bad the future depends upon ambition.

Concert

The W-SR Concert Band is known as an organization of fine musicians. Again this year, the band ensemble members participated in contest. The Junior and Senior High bands presented a concert to the community in the spring. They also took part in a Tri-City Music Festival with Osage and host school, Cresco. The main objective for the band members this year was to "Learn to Pay Attention."

Band

The excitement of the year was the arrival of the new band uniforms. The band members financed the new uniforms with a fund-raising drive, consisting mainly of door-to-door solicitations. They showed their gratitude to the community by giving an Appreciation Concert on November 30. One of the selected numbers in the concert was Lara's theme from Dr. Zhivago. The band did an outstanding job and they should be commended on their performance.

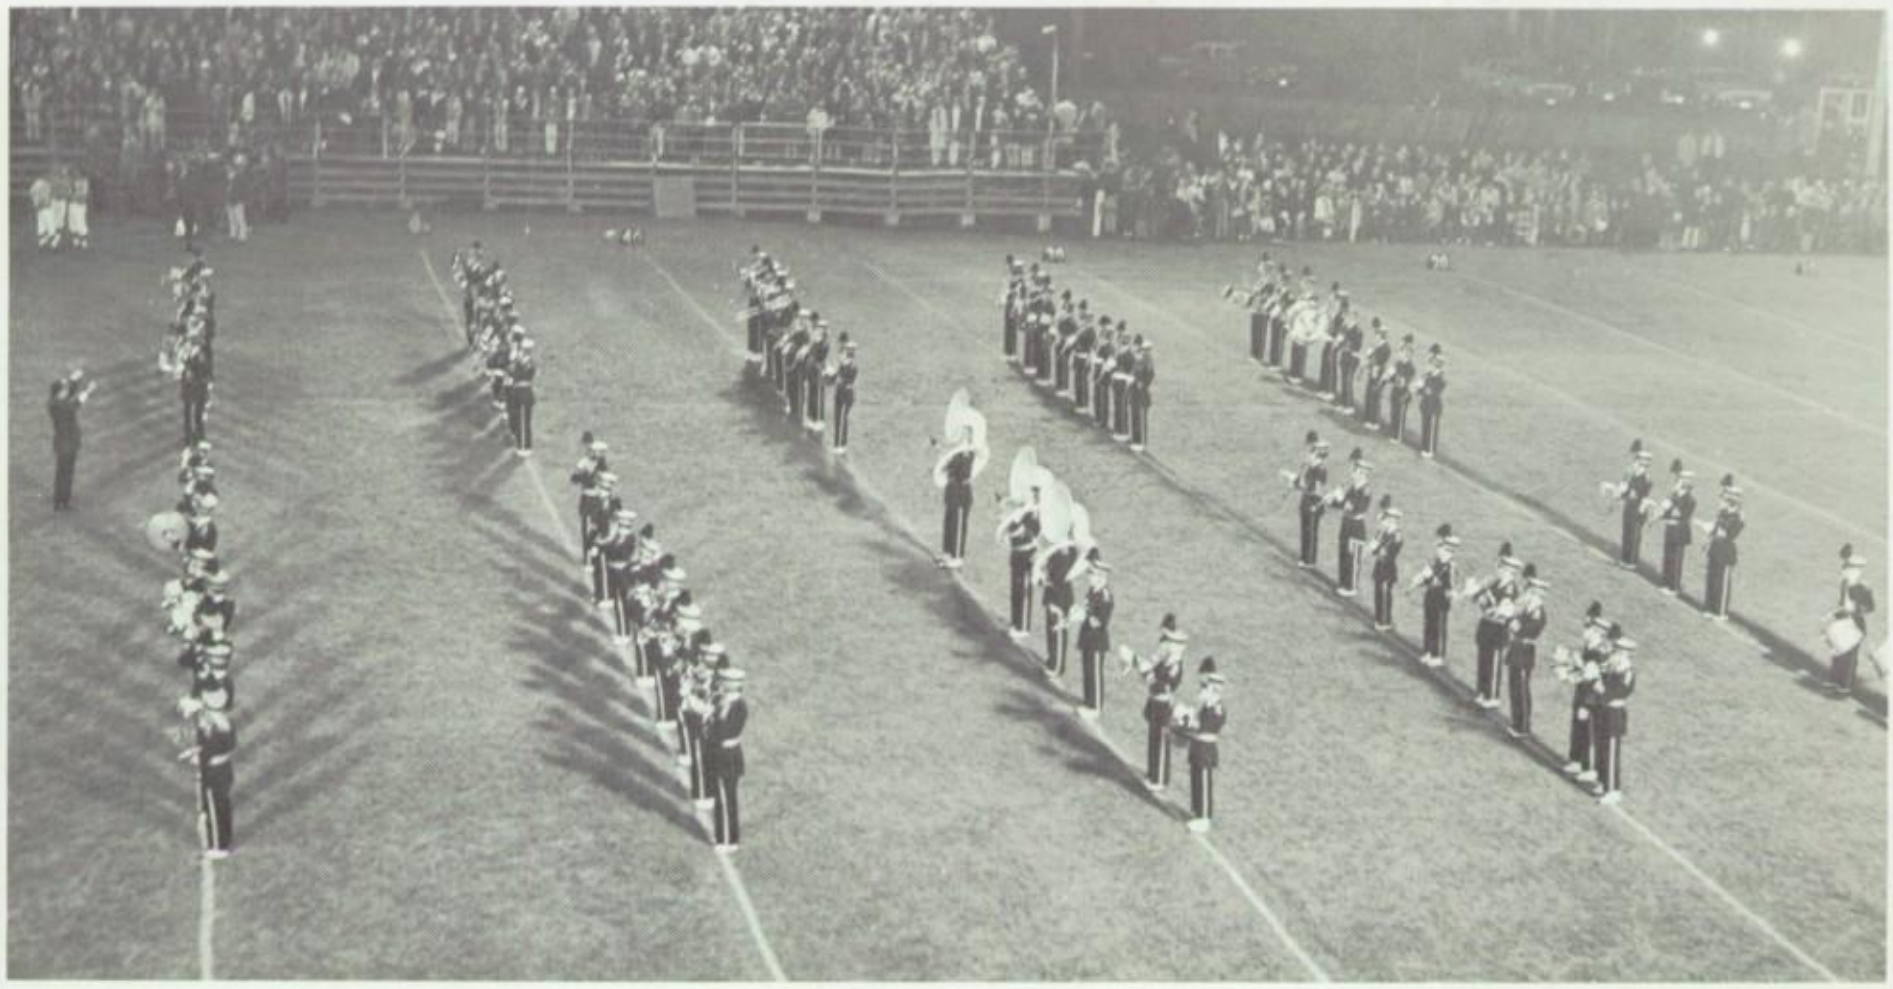
Pep and Marching Bands Rouse Teams



NATIONAL ANTHEM

"Come on, lets hear it!"

The W-SR Marching Band performs primarily during the fall season. During the past year they participated in half time activities at several home football games and in the school's Homecoming ceremony.

The W-SR loyalty along with other favorites are played at home games and during pep rallies to rouse the players on to a VICTORY . . . . . and another Conference Crown.

Class Parties and Assemblies Provide . . . Entertainment

This year's sophomore class party was held on March 15 in the cafeteria. Following the theme of "Underworld," decorations were complete with a jail in which almost everyone served a term. For the charge of a mere nickel, friend or foe could be locked up for a sentence of five minutes or a fine of five cents. Some of the hardened criminals can be seen to the upper left. The WSR student body was also fortunate in being presented with numerous and varied assembly programs. As well as providing a good excuse for getting out of classes for a whole, glorious hour, these programs were amusing, educational, and often enlightening as to the talent of classmates. Including the whole student body as no other activity quite can, these assemblies were enjoyed and will be remembered by all.

"Love Is Blue"

The prom decorations featured a fountain and a ramp leading to a garden-like atmosphere on the stage.

Students enjoy themselves at the banquet preceding the dance.

Tribute to Parting Seniors

The unforgettable evening began with a banquet and entertaining program held at the First Methodist Church. Following the banquet the couples went to the school where they were entertained by the Wayne Marth Quintet in a mystical blue setting. An after-prom dance and movie were the finishing touches to a perfect evening. Although the evening drew quickly to a close, the memories of that night and the blue world will always remain in the minds of those who attended.

The world is blue . . . love is blue . . . a dream is blue . . . the enchanting evening was blue. It will never be forgotten.

The entrance, a beautiful garden walkway, attracted many couples.

At the after-prom dance students are once again themselves as they have left their formal attire at home.

for Future Years

We walk
through a door
and sit, each
thinking private yet
somehow communal
thoughts of hours
past and hours
to come. In the
distance a
band plays a
silent song
meant for minds
oblivious to its
presence. Now
quiet, and a
man begins to speak
of eighteen years
of work
and play
and love
and joy.
An end has come,
and with it a beginning.

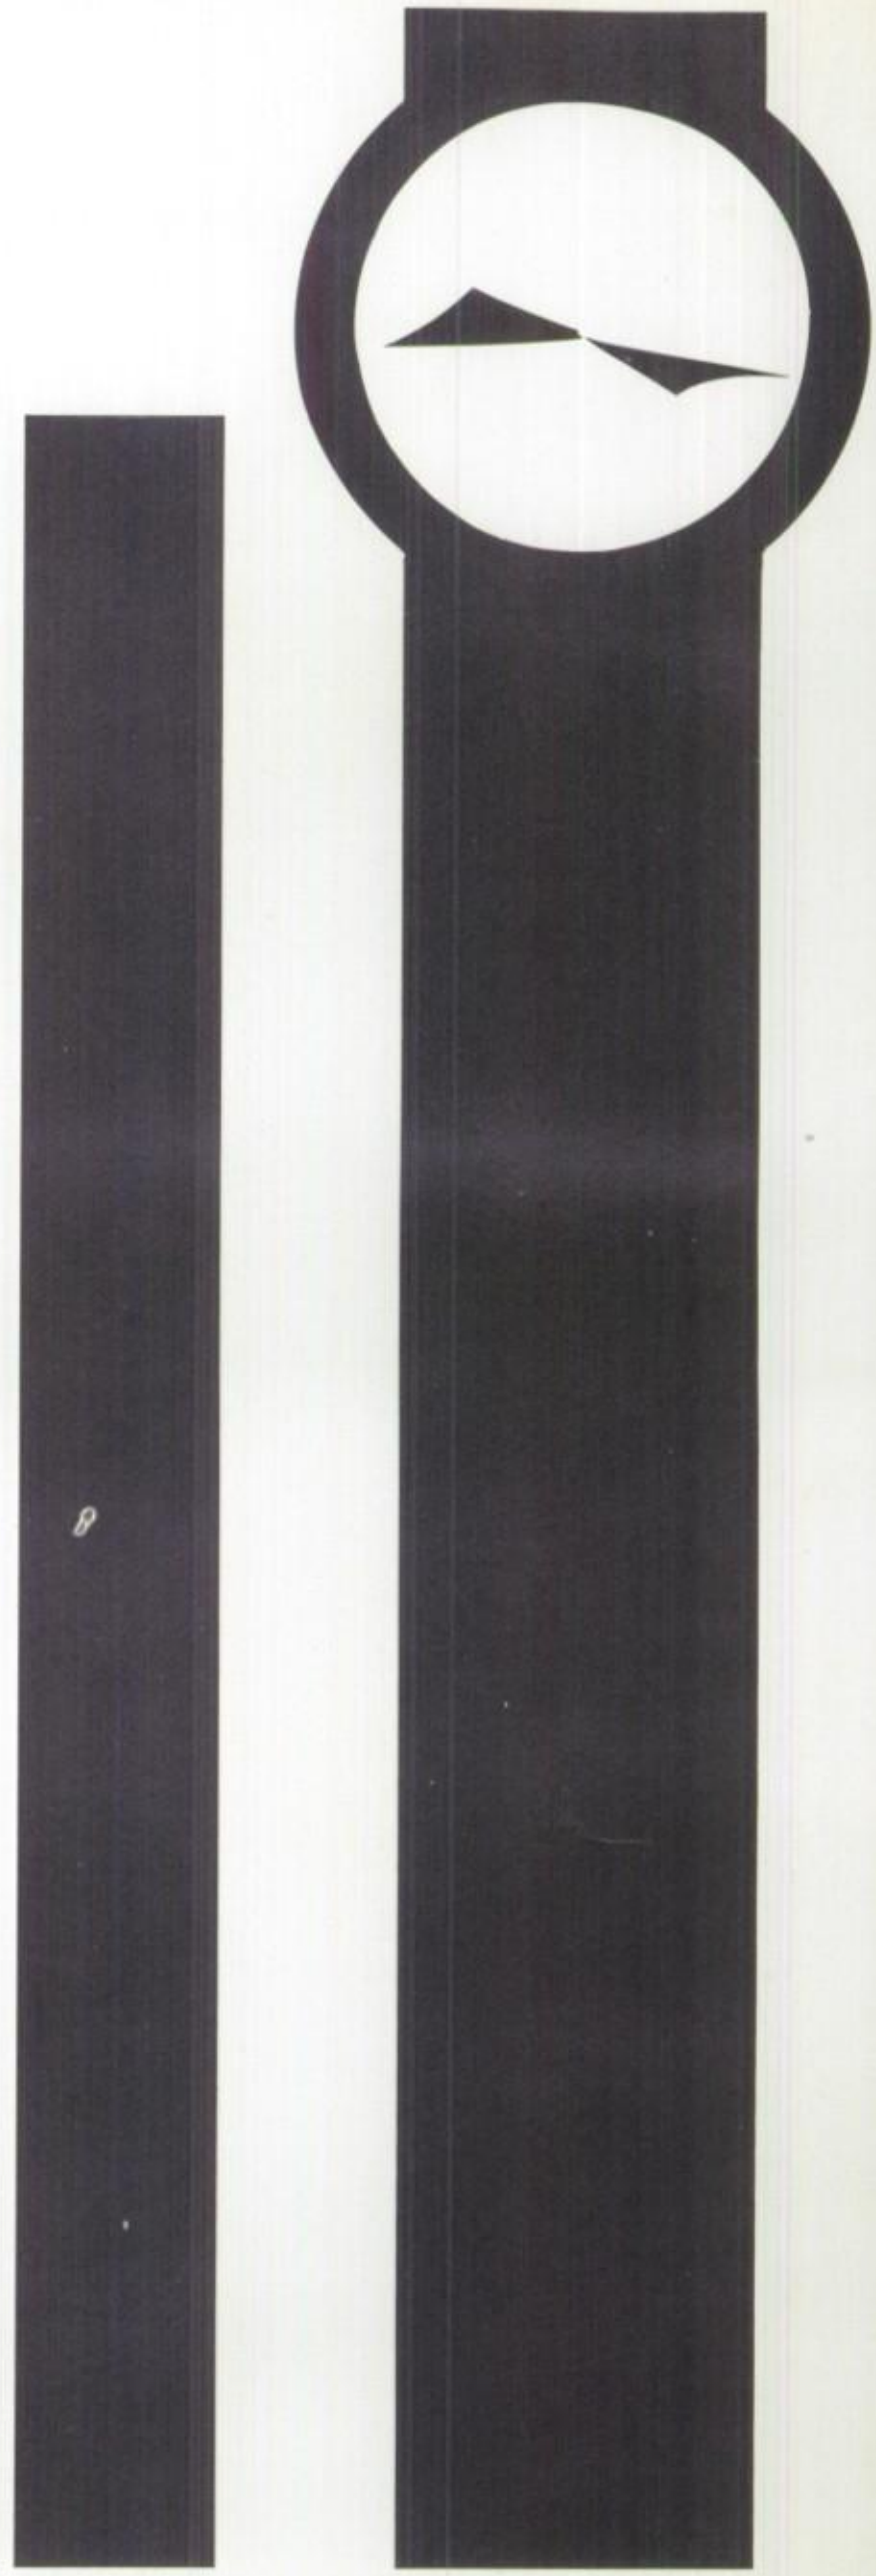
A Time to Remember



This has been "A Time to Remember": a time of holding hands at the Homecoming Dance, a time of being one of many and yet alone, a time of tears as the scoreboard declares defeat. Those memories which are locked within each and every one of us are our own. They can not be recorded for they are far too intimate and varied. But it is our hope that we have captured in pictures and words the events that have made this time, the school school year 1967-68, "A Time to Remember."
